PROFESSIONAL SUMMARY

Digital marketing manager with **8+ years** across **brand strategy, campaign execution, commercial operations** and **creative production**. Currently leading end-to-end perfume collection launches for a UAE fragrance brand, spanning 360-degree digital campaigns, influencer marketing and in-store retail activation. Formerly a lead graphic designer for multinational corporate reporting, now combining that creative eye with generative-AI production to deliver campaign-ready visual assets at a fraction of traditional studio cost and turnaround. Track record of building revenue streams from scratch and delivering up to 32% year-on-year growth. Professionally proficient in English, Hindi and Tamil.

PROFESSIONAL EXPERIENCE

Digital Marketing Manager | Khaltate

Dubai, United Arab Emirates | April 2026 - Present

- Own end-to-end launches of new perfume collections, from creative concept and brand narrative through marketing calendar, digital rollout and retail activation.
- Plan and execute 360-degree campaigns across social media, influencer partnerships, in-store events and POP materials, keeping messaging consistent across every touchpoint.
- Direct all brand visual output including packaging, product imagery and campaign creative, using AI-generated product photography to compress shoot costs and turnaround times.
- Analyse fragrance trends, olfactive preferences and consumer behaviour to identify white-space opportunities and position collections competitively.
- Manage the marketing budget against ROI targets, tracking campaign performance through CRM and analytics tooling and reallocating spend toward the highest-return channels.
- Collaborate with perfumers, R&D, sales and external web and creative agencies, overseeing agency delivery and the brand's wider online presence.

Operations & Business Development Manager | Enjoy The Wood GCC

Dubai, United Arab Emirates | February 2024 - February 2026

- Built the B2B department from scratch, establishing the sales process, pricing approach and account structure from a standing start.
- Signed B2B partnerships with tier-one office and home furniture companies across the UAE.
- Managed the e-commerce storefront and social media channels, executing digital marketing campaigns that grew online revenue.
- Owned the full commercial cycle: lead generation, negotiation, deal closing and ongoing key account management.
- Ran market and competitor research to guide product positioning, assortment and pricing decisions.

C-Store In Charge | ADNOC Distribution

Dubai, United Arab Emirates | April 2023 - February 2024 (promoted from C-Store Attendant, April 2022 - March 2023)

- Winner of the Shukran Award for best performance.
- Led and motivated the store team to hit monthly sales targets, owning weekly scheduling, coaching and performance monitoring.
- Delivered monthly and seasonal promotional campaigns, ensuring stock availability and full visibility of promotional materials in store.
- Managed stock ordering against reorder points, supplier issue resolution and GRN reconciliation, maintaining cold chain compliance and merchandising standards.

Co-Founder | Head of Product Development | Drakon Solutions | Concurrent Side Venture

Colombo, Sri Lanka | May 2020 - April 2022

- Co-founded a digital products venture and led product development end to end, from client brief through delivery.
- Handled all marketing communications and new business lead generation for the company.
- Ran quality assurance on every digital product shipped to clients.

Medical Information Officer | Novartis

Colombo, Sri Lanka | August 2019 - April 2022

- Promoted the Novartis ALCON eye range to ophthalmology specialists across Colombo.
- Briefed healthcare professionals on new research and product updates, and coordinated meetings between the Head of Department and key clinicians.
- Reported territory performance weekly to the Head of Department.

Lead Graphic Designer | RR Donnelley

Sri Lanka | June 2018 - May 2019

- Led graphic and digital media production for multinational corporate reports, working to strict brand and accuracy standards.
- Quality-checked all final digital output before release and reported weekly to the Head of Department.
